Smart modules

Modules controlling lighting and electronic devices mounted inside or outside the socket.

<p>Dimmer 2 FGD-212</p> <p>EAN: 5902020528524 Item code: FGD-212 ZW5</p> <p>Universal dimming module with built-in power metering. Works with any type of dimmable light sources.</p>	 
<p>Net price: 49.59 €</p>	
<p>Roller Shutter 3 FGR-223</p> <p>EAN: 5905279987197 Item code: FGR-223</p> <p>Controls electric motors of roller blinds, venetian blinds, garage doors and such. Features an ultra precise positioning, and power metering functions.</p>	 
<p>Net price: 49.59 €</p>	

<p>Single Switch 2 FGS-213</p> <p>EAN: 5902020528722 Item code: FGS-213 ZW5</p> <p>Single circuit On/Off switch, designed for use in sockets.</p>	 
<p>Net price: 49.59 €</p>	
<p>Double Switch 2 FGS-223</p> <p>EAN: 5902020528661 Item code: FGS-223 ZW5</p> <p>Dual circuit On/Off switch, designed for use in sockets.</p>	 
<p>Net price: 49.59 €</p>	
<p>Smart Module FGS-214</p> <p>EAN: 5902701702083 Item code: FGS-214 ZW5</p> <p>Single channel dry contact switch designed to control other devices. Maximum load current 6.5A.</p>	 
<p>Net price: 49.59 €</p>	
<p>Double Smart Module FGS-224</p> <p>EAN: 5902701702090 Item code: FGS-224 ZW5</p> <p>Two-channel dry contact switch designed to control other devices. Maximum total load current 9.5A (6A per channel).</p>	 
<p>Net price: 49.59 €</p>	
<p>RGBW Controller 2 FGRGBWM-442</p> <p>EAN: 5902701701581 Item code: FGRGBWM-442</p> <p>LED light controller, compatible with RGB / RGBW LEDs and 12V-24V light sources. Supports up to 4 analogue sensors 0-10V. May be used as a dimmer with Halogen lamps.</p>	 
<p>Net price: 49.59 €</p>	

<p>Bypass 2 FGB-002</p> <p>EAN: 5902020528555 Item code: FGB-002</p> <p>Bypass for FIBARO Dimmer, designed for use with low energy consumption dimmable lights.</p>	 
<p>Net price: 9.89 €</p>	

Wall Plug

Smart switches with power metering for electrical devices.

<p>Wall Plug FGWPE-102, FGWPF-102 (Schuko)</p> <p>EAN: 5902020528630 Item code: FGWPE-102 ZW5 EAN: 5902020528647 Item code: FGWPF-102 ZW5</p> <p>Wall Plug with power consumption measuring function and unique, colour-changing, crystal LED ring. Max load 2 500 W.</p>	 
<p>Net price: 48.32 €</p>	
<p>Wall Plug FGWPG-111</p> <p>EAN: 5902701701185 Item code: FGWPG-111 ZW5</p> <p>Description: universal, Z-Wave compatible and remotely controlled plug-in switch with the ability to measure power and energy consumption.</p>	 
<p>Net price: 48.32 €</p>	

Thermostatic radiator & temperature sensor

<p>The Heat Controller Starter Pack</p> <p>EAN: 5902701701079 Item code: The Heat Controller Starter Pack ZW5 EU</p> <p>Remotely controlled thermostatic head to control temperature in your room. It can be mounted without tools on three types of valves. Set of two devices: The Heat Controller FGT-001; Temperature Sensor FGBRS-001.</p>	 
<p>Net price: 74.39 €</p>	
<p>The Heat Controller FGT-001</p> <p>EAN: 5902701701062 Item code: FGT-001 ZW5 EU</p> <p>Remotely controlled thermostatic head to control temperature in your room. It can be mounted.</p>	 
<p>Net price: 66.09 €</p>	
<p>Temperature Sensor FGBRS-001</p> <p>EAN: 5902701701055 Item code: FGBRS-001</p> <p>Wireless temperature sensor which can be used with FIBARO The Heat Controller to provide best temperature regulation. One head can be paired with only one sensor, but one sensor can be paired with three heads.</p>	
<p>Net price: 16.49 €</p>	

Smart Intercom

Intercom FGIC-002

EAN: 5902701701901

Item code: FGIC-002 v2.0

FIBARO Walli

Product line of smart and classic switches & outlets together with accessories.

Walli Outlet type E FGWOE-011

EAN white: 5902701701338

Item code: FGWOE-011

EAN anthracite: 5902701702267

Item code: FGWOE-011-8

An intelligent electrical outlet that allows to control and manage the device connected to it. Equipped with a LED ring, informing about current consumption. The maximum load is 3680W.

Net price: 63.19 €

Walli Outlet type E FGWOE-011 (10 pack)

EAN: 5902701701659

Item code: FGWOE-011 10 pcs.

An intelligent electrical outlet that allows to control and manage the device connected to it. Equipped with a LED ring, informing about current consumption. The maximum load is 3680W.

Net price: 568.69 €

Walli Outlet type F FGWOF-011

EAN white: 5902701701345

Item code: FGWOF-011

EAN anthracite: 5902701702281

Item code: FGWOF-011-8

An intelligent electrical outlet that allows to control and manage the device connected to it. Equipped with a LED ring, informing about current consumption. The maximum load is 3680W.

Net price: 63.19 €

<p>Walli Outlet type F FGWOF-011 (10 pack)</p> <p>EAN: 5902701701666 Item code: FGWOF-011 10 pcs.</p> <p>An intelligent electrical outlet that allows to control and manage the device connected to it. Equipped with a LED ring, informing about current consumption. The maximum load is 3680W.</p>
