

Guide to downloading the electronic Instructions for Use (e-IFU) for GeneProof products

1. Prepare the product packaging with the label. If you find the symbol an electronic Instruction for Use is available.  geneproof.com/ifu
2. Go to geneproof.com
3. Log-in to your user account (if you do not have an account, please register).
4. Go to the **e-IFU** section.

- To access the e-IFU, fill in the search fields for **REF** and **LOT**. Correct information can be found on the product package label.

- Check the generated data with the data on the product label. Confirm the check by ticking the checkbox.
- Select your desired language version from the drop-down menu.
