CONGRATULATION & WELCOME

ABOUT YOUR STAY

Welcome to the World Final race of the H2GP season 2021/22.

Horizon Educational and all of its partners are excited to have you here in the Netherlands!

Let us congratulate all who competed on the great achievement of becoming the best

15 teams from around the world.

The world has a need for talented and dedicated hydrogen

engineers, and we are confident to say that you are already becoming one of them! H2GP

is only one chapter and we'll make sure that is one to remember! Keep up the good work

and devotion.

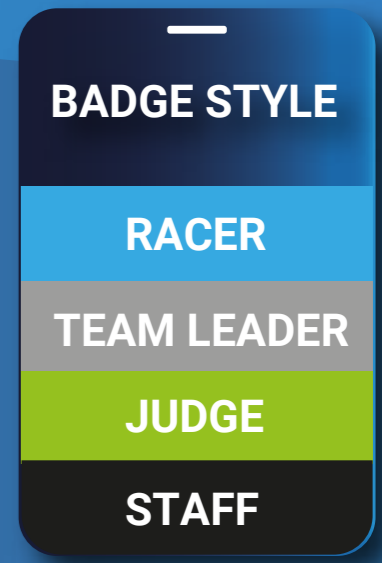

We wish the best of luck to all.
